

Expression of Interest (EOI)

For Conducting General Awareness Programmes on Energy Conservation and Energy Efficiency among School Children in Different Schools in Tripura

Background

The State Designated Agency (SDA), Tripura is committed to promoting energy conservation and energy efficiency in the state. As part of this initiative, we aim to create awareness among school children about the importance of energy conservation and energy efficiency.

Objective

The objective of this EOI is to invite eligible organizations/institutions to conduct general awareness programmes on energy conservation and energy efficiency among school children in different schools in Tripura.

Scope of Work

The selected organization/institution will be required to conduct awareness programmes in selected schools in Tripura. The scope of work will include:

- Conducting interactive sessions and workshops on energy conservation and energy efficiency.
- Developing and distributing educational materials (such as posters, leaflets, and booklets) on energy conservation and energy efficiency.
- Organizing quizzes, debates and other competitions to promote awareness on energy conservation and energy efficiency.

Eligibility Criteria

The following organizations/institutions are eligible to participate in this EOI:

- Registered non-governmental organizations (NGOs)
- Educational institutions.
- Research organizations.
- Community-based organizations.

Evaluation Criteria

The proposals received in response to this EOI will be evaluated based on the following criteria:

- Experience and expertise in conducting awareness programmes on energy conservation and energy efficiency.
- Quality of the proposal and the approach outlined.
- Capacity to deliver the programme within the stipulated timeframe and budget.
- Cost-effectiveness of the proposal.

TRIPURA STATE ELECTRICITY CORPORATION LIMITED
(A GOVT. OF TRIPURA ENTERPRISE)

How to Apply

Interested organizations/institutions may submit their proposals in the prescribed format (available on request) along with the following documents:

- Registration certificate.
- Proof of experience and expertise in conducting awareness programmes on energy conservation and energy efficiency.

Timeline

The last date for submission of proposals is [insert date]. The selected organization/institution will be required to commence work within [insert timeframe] from the date of award of the contract.
